**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Wednesday, August 8, 2018:

MINUTE entry before the Honorable Matthew F. Kennelly: Defendants' motion for leave to file a response out of time—which the Court notes was not noticed for presentment in contravention of this district's local rules—is denied. The motion in question was a Daubert motion governed by the summary judgment and Daubert briefing schedule set long ago. Defendants' response to the motion was due on 7/12/2018. The motion for leave to file a response out of time was not filed until nearly four weeks after that and did not attach a response but rather sought more time to file one. Counsel's statement that he did not realize that the motion was a Daubert motion effectively indicates that he did not read the motion, as it actually cites Daubert. In short, there is no good excuse offered for the non-filing of a response. Given the volume of motions the Court has to deal with for the Trial Group 1 cases, the Court cannot allow briefing to continue well beyond the schedule set long ago. (mk)
